Jailer Brady,

The Kentucky Parole Board would like to extend congratulations to you and your staff on your recent American Correctional Association certification. To be the first jail in the Commonwealth of Kentucky to receive this is outstanding accomplishment indicates the desire of you and your staff to make Marion County Detention Center a safe, secure facility for inmates, staff and the community at large.

As the releasing authority here in Kentucky, this board recognizes the importance of ACA certification and commends your achievement.

Sincerely,

Verman Ray Winburn, Chair
