Dear Barry,

I want to congratulate you, your Fiscal Court, every member of your Staff and all the Citizens of Marion County for this monumental achievement. You are the first and only jail in the Commonwealth to become Certified by the American Correctional Association. This recognition by your professional association and your peers will live forever in Marion County. I know how difficult it was for you and your staff to comply with the requirements established by the Commission on Accreditation. Your profession awarded you as the "Best of the Best" in Correctional Performance. Please convey my sincerest congratulation to everyone that helped you achieve this honor.

Sincerely yours,
