

ACA accredited facility, MCDC offers a great opportunity for Alternative Sentencing Offenders.

With condensed programing offered in parenting, addictions treatment, continued education, anger management offenders can enroll in multiple programs and complete treatment within 12 months.

Programs offered address issues directly related to most re-incarceration and offer treatment plans for addictions. Beneficial programs also give offenders tools for a productive lifestyle outside of incarceration.

Marion County Detention center currently offers 4 programs with 90 days good time granted for completion.

Treatment Programs Summary

Tel : 270-692-5802

Beneficial Programs Offered

Marion County Detention Center currently offers the following programs: MRT, GED, NA, AA, ALPHA, Work Release, Anger Management and Smoking Cessation. MCDC has 9 dedicated programs staff and currently 208 available beds for evidence based programs.

Substance Abuse Programs

(ALPHA) is a 6 to 9 month Substance abuse program offered to both male and female offenders. The program covers drug effects, conflict resolution, anger management,

socialization, parenting, victimization, and reintegration.

- Programs reduce the likelihood of re-incarceration.
- 23/1 inmate to program staff ratio
- Possible 12 month Good Time awarded for 100% program participation

GED

Offenders can obtain a GED while enrolled in any full time program. At time of completion Offenders are awarded 90 days good time.

Moral Reconciliation Therapy

Moral Reconciliation Therapy is a 24 week pilot program offered to male offenders. MRT is designed to enhance ego, social, moral and positive behavioral growth in a progressive step by step fashion to develop higher stages of moral reasoning. The program awards 90 days good time at completion.

Work Release

MCDC currently offers 7 work release jobs outside of the facility. These include: city park, county sanitation, recycle centers, animal shelter, grounds keeping, maintenance and special projects community service. Jobs are also offered within the facility for Offenders not classified for community work. Offenders are encouraged to maintain a job within the program community to develop a balance between working and engaging in treatment. Work for Time Credit is awarded for those who qualify.
